## Customer Complaints Procedure

We aim to provide you with an excellent service, but sometimes things can go wrong. We take complaints very seriously, so if you are not happy with our service we will do our best to put things right. This leaflet tells you how to complain and how we deal with your complaint.

We will be happy to liaise with someone else on your behalf if you prefer. We will need written agreement from you both before we proceed; please be aware we are not responsible for any costs this may incur.

### Step 3

If, having gone through the first two steps, you feel your complaint has not been resolved; you can refer it to the Consumer Council for Water (CCWater), the independent body set up to represent customers.

### Step 4

If you remain dissatisfied following CCWater's efforts to resolve your complaint, you may be eligible to refer it to the Water Redress Scheme known as WATRS.

WATRS is an alternative dispute resolution (ADR) scheme to help resolve the very small number of customer complaints where the customer remains dissatisfied after the company procedure and CCWater involvement. WATRS provides an alternative to going to court or a tribunal.

### Step 4 continued

WATRS decision is binding on the water company.

Following notification from CCWater you can make an application, free of charge, via WATRS website **www.watrs.org** or you can email **info@watrs.org** to ask for an application form to be sent to you.

Guidance notes are also available on the website or you can request that a copy be sent to you by telephoning **0207 520 3801**.
