

## Self Lay Provider Application

### Type of application:

- Service connection only ☐
- Point of connection ☐
- Mains design completed by self lay ☐
- Mains design completed by South Staffs Water ☐

### Number of plots:

- Under 500 ☐ Over 500 ☐

### Administration application fees

As a water company we operate an administration application fee for new developer services requests.

| Service connection only application (no mains) | Point of Connection (POC) application (for a mains scheme) | Mains design completed by self lay | Mains design completed by South Staffs Water | Mains redesign / requote |
|--|--|------------------------------------|--|--------------------------|
| £217.20 (inc VAT)                              | £128.40 (inc VAT)  | £459.60 (inc VAT)                  | £610.80 (inc VAT)                            | £475.20 (inc VAT)        |

If you require an amendment to a quotation that represents a material change to the original design, we will consider this to be a new application and will apply the charges above.

We can accept your payment once you receive your **Application Reference Number** by the following methods. Please tick your preferred method:

- ☐ Debit/Credit Cards
- ☐ BACS
- ☐ Cheque

### BACS details:

Bank - HSBC  
 Sort code - 40-11-18  
 Account number - 63987183  
 Payee name - South Staffordshire Water Plc

**Please do not make payment until you have been allocated an Application Reference Number which will be your payment reference.**

Please return your completed application form to:

Developer Services  
 South Staffs Water  
 Green Lane  
 Walsall  
 WS2 7PD

Tel: 0345 345 1399

Email: [developerservices@south-staffs-water.co.uk](mailto:developerservices@south-staffs-water.co.uk)

## SECTION A – CONTACT DETAILS

Preferred method of contact: Post ☐ Email ☐  
Who would you like the quote sent to: Self Lay Provider ☐  
Developer ☐

### SELF LAY PROVIDER (SLP) DETAILS

Company name: \_\_\_\_\_  
For the attention of: \_\_\_\_\_ Job title: \_\_\_\_\_  
Property name / number: \_\_\_\_\_ Telephone number: \_\_\_\_\_  
Street: \_\_\_\_\_ Mobile number: \_\_\_\_\_  
Village / town: \_\_\_\_\_ Email address: \_\_\_\_\_  
City / county: \_\_\_\_\_ Postcode: \_\_\_\_\_

WIRS accreditation status: ☐ Design  
☐ Project management  
☐ Construction of mains and services  
☐ Service connections only  
☐ Construction of routine mains connections

### DEVELOPER DETAILS

Company name: \_\_\_\_\_  
For the attention of: \_\_\_\_\_ Job title: \_\_\_\_\_  
Property name / number: \_\_\_\_\_ Telephone number: \_\_\_\_\_  
Street: \_\_\_\_\_ Mobile number: \_\_\_\_\_  
Village / town: \_\_\_\_\_ Email address: \_\_\_\_\_  
City / county: \_\_\_\_\_ Postcode: \_\_\_\_\_

Has the development been granted planning permission? Yes ☐ No ☐

Have you been appointed as the SLP? Yes ☐ No ☐

## SITE DETAILS

Address and details of the site:

Site name: \_\_\_\_\_ Phase: \_\_\_\_\_

Street: \_\_\_\_\_

Village / town: \_\_\_\_\_ Site contact: \_\_\_\_\_

City / county: \_\_\_\_\_ Office telephone: \_\_\_\_\_

Postcode: \_\_\_\_\_ Mobile number: \_\_\_\_\_

Site grid reference (mid point): \_\_\_\_\_ Email address: \_\_\_\_\_

Previous use of the site: ☐ Greenfield or agriculture

☐ Housing

☐ Industry

☐ Landfill

☐ Filling station

☐ Other (please specify) \_\_\_\_\_

## AUTHORISED REPRESENTATIVES DETAILS

(if you would like us to talk to a third party regarding works)

Title: \_\_\_\_\_ First name: \_\_\_\_\_ Last name: \_\_\_\_\_

Company: \_\_\_\_\_ Office telephone: \_\_\_\_\_

Mobile: \_\_\_\_\_ Email: \_\_\_\_\_

☐ Tick if this person is the main contact

Have you had a connection offer for this site before? ☐ Yes ☐ No

If yes, can you please provide the reference number \_\_\_\_\_

## PLUMBING CONTRACTOR / INSTALLATION DETAILS

If you are using a water industry approved plumber / contractor registered under the WIAPS scheme to carry out internal plumbing please provide their registration number below:

Registration number: \_\_\_\_\_

If not, please provide us with details of the principal installer for verification

First name: \_\_\_\_\_ Surname: \_\_\_\_\_

Company name: \_\_\_\_\_

Address and postcode: \_\_\_\_\_

Direct telephone number: \_\_\_\_\_

Email: \_\_\_\_\_

## SECTION B – SITE LOCATION PLANS

Please provide a minimum of 1 Nr Site Location Plan with at least the below information present:

- A clearly marked site boundary
- Any existing utility apparatus supplying or running through the site
- North point
- Grid References
- Any changes in proposed ground levels/elevation.
- Plans must be to 1:500 or 1:250 Scale

## SECTION C – NEW AND EXISTING SERVICE CONNECTIONS

### EXISTING CONNECTION(S)

Has the development site had a previous connection within the last five years? ☐ Yes ☐ No

Number of connections previously on site: \_\_\_\_\_

Date of disconnection and/or demolished: \_\_\_\_\_

Full address of disconnected and/or demolished properties: \_\_\_\_\_

---

---

---

---

### DOMESTIC UNITS

| Property type  | 1 Bedroom Properties | 2/3 Bedroom Properties | 4+ Bedroom Properties | Landlord/ Bin Store | Internal Use Only  |                       |
|--|----------------------|------------------------|-----------------------|---------------------|--------------------|-----------------------|
| Number of Units of this Type:  |                      |                        |                       |                     | Loading Units (LU) | Total LU per property |
| Type of Fitting (Quantity per Unit)  |                      |                        |                       |                     |                    |                       |
| w/c flushing   |                      |                        |                       |                     | 2                  |                       |
| wash basin in house  |                      |                        |                       |                     | 1.5                |                       |
| wash basin elsewhere   |                      |                        |                       |                     | 3                  |                       |
| bath (tap size 20mm)   |                      |                        |                       |                     | 10                 |                       |
| bath (tap size > 20mm)   |                      |                        |                       |                     | 22                 |                       |
| shower   |                      |                        |                       |                     | 3                  |                       |
| sink (tap size 15mm)   |                      |                        |                       |                     | 3                  |                       |
| sink (tap size >15mm)  |                      |                        |                       |                     | 5                  |                       |
| spray tap  |                      |                        |                       |                     | 0.5                |                       |
| bidet  |                      |                        |                       |                     | 1.5                |                       |
| domestic appliance   |                      |                        |                       |                     | 3                  |                       |
| communal/commercial appliance  |                      |                        |                       |                     | 10                 |                       |
| any other water fitting (including tap but excluding urinal or water softener) |                      |                        |                       |                     | 3                  |                       |

| Property type                | Apartment / terrace / mobile home | Semi-detached | Detached |
|------------------------------|-----------------------------------|---------------|----------|
| Number of units of this type |                                   |               |          |

## DOMESTIC UNITS (CONTINUED)

Although South Staffs Water does not deal with sewerage connections we are responsible for the collection of sewerage infrastructure charges on behalf of the local sewerage provider. Please provide details about how the foul and surface water will drain from the site.

How will foul water drain?

|                 |                              |                             |
|-----------------|------------------------------|-----------------------------|
| 1. Public sewer | <input type="checkbox"/> Yes | <input type="checkbox"/> No |
| 2. Septic tank  | <input type="checkbox"/> Yes | <input type="checkbox"/> No |

How will surface water drain?

|                                 |                              |                             |
|---------------------------------|------------------------------|-----------------------------|
| 1. Public sewer                 | <input type="checkbox"/> Yes | <input type="checkbox"/> No |
| 2. Septic tank                  | <input type="checkbox"/> Yes | <input type="checkbox"/> No |
| 3. Grey water harvesting system | <input type="checkbox"/> Yes | <input type="checkbox"/> No |

### **Fire Fighting Supplies – Please note SSW Sprinkler Supply Policy in Appendix A**

Please list any plot numbers that require sprinkler connections: \_\_\_\_\_

---

---

## WATER EFFICIENCY INCENTIVE

**We want to encourage developers to consider options and innovation in the management of the environment and water usage. To achieve this, we are offering a discount against our water infrastructure charges if you build your property to achieve a usage of below 125 litres per person per day. We recognise schemes that utilise efficient fittings, supply pipework reducers, rain and greywater harvesting systems and water neutrality.**

Are you building water efficient homes which will achieve less than 125 litres per person per day? ☐ Yes ☐ No

How many water efficiency homes will you be building? \_\_\_\_\_

Tick the box to confirm you have provided a plan to show which homes will be built with consumption below 125lpd: ☐

Please confirm what evidence you are/will be submitting with your application to demonstrate the reduced consumption referenced above (e.g. Home Quality Mark (HQM) / BREEAM certification, outputs from the water calculator, another appropriate accreditation): \_\_\_\_\_

**When we receive evidence that homes will be built with reduced consumption, we will cater for this discount within the quote we provide to you. The discount amount will be based on a sliding scale with some example intervals shown below.**

**Table 3 – Discount sliding scale example**

| Consumption | 60lpd     | 80lpd     | 100lpd    | No efficiency options included in design |
|-------------|-----------|-----------|-----------|--|
| Discount    | £480/plot | £360/plot | £240/plot | £0/plot                                  |

For more information on our water efficiency scheme including the audit process and audit charges please refer to our Developer Services Charging Arrangement document (Chapter 13) which is available on our website here: [www.south-staffs-water.co.uk/media/c3iphf3l/developer-services-charging-arrangements.pdf](http://www.south-staffs-water.co.uk/media/c3iphf3l/developer-services-charging-arrangements.pdf).

## COMMERCIAL / INDUSTRIAL UNITS

[illegible]

## COMMERCIAL / INDUSTRIAL UNITS (CONTINUED)

| Type of Fitting (Quantity per Unit)  |  | Internal Use Only  |                       |
|--|--|--------------------|-----------------------|
|  |  | Loading Units (LU) | Total LU per property |
| w/c flushing   |  | 2                  |                       |
| wash basin elsewhere   |  | 3                  |                       |
| bath (tap size 20mm)   |  | 10                 |                       |
| bath (tap size > 20mm)   |  | 22                 |                       |
| shower   |  | 3                  |                       |
| sink (tap size 15mm)   |  | 3                  |                       |
| sink (tap size >15mm)  |  | 5                  |                       |
| spray tap  |  | 0.5                |                       |
| bidet  |  | 1.5                |                       |
| domestic appliance   |  | 3                  |                       |
| communal/commercial appliance  |  | 10                 |                       |
| any other water fitting (including tap but excluding urinal or water softener) |  | 3                  |                       |

## TEMPORARY BUILDING SUPPLY

Do you require a temporary building supply? ☐ Yes ☐ No

If yes, please indicate these on the detailed site drawing as per section D.

If using a plot supply, please confirm Plot Number \_\_\_\_\_

## GENERAL

For the purposes of regulations, please indicate if any of the following are being installed:

- ☐ Internal booster for high-rise building
- ☐ Grey water system
- ☐ Rainwater harvesting system
- ☐ Solar heating systems
- ☐ Reduced pressure zone valve (RPZ) / Type BA backflow device

**Details of plots and locations involved will need to be included in the site plan in section D.**

## SECTION D – DETAILED DESIGN DRAWINGS

Please provide a detailed site plan in both .dwg (AutoCAD)\* and PDF form with the below information present:

**\*The AutoCAD should be geo-referenced indicating the total site boundary, the area occupied by each unit, common areas and your proposed service pipe routes. Please ensure all cross-references are attached or bound to drawing before being sent.**

- Proposed streets displaying whether they are private or to be adopted
- Service corridors
- Surface types e.g. landscaped area or asphalt surface
- Site phases (labelled)
- House type and plot numbers
- Any temporary building supplies (labelled)
- If the SLP are undertaking the initial mains design:
  - Line of proposed main, inclusive of all fittings
  - Mains materials and sizing
  - Clear demarcation of mains for construction by SLP/SSW
  - Locations (and sizing) of services and meter boxes (meter boxes to be located in the footpath where possible)
- Details of any grey-water or rainwater harvesting systems
- Land not in ownership of the developer that may be affected by works (labelled, with grid references – also see section G)
- Sprinkler supply requirements (labelled)
- Solar heating systems (labelled)
- Any Reduced Pressure Zone Valves (RPZ)/Type BA Backflow devices (labelled)
- Internal boosters (labelled)
- Plans must be to 1:500 or 1:250 Scale and can be provided with the application in disc format or can be emailed

## SECTION E – SOIL CONDITION REPORT

**In the absence of a soil report or the Contaminated Land Assessment form which can be printed off the website, we will assume barrier pipe is going to be used. If main laying is required we require a full soil report and test results.**

## SECTION F – LAND OWNERSHIP

Please provide details of any 3rd party Land owners that may need to be contacted for completion of works:

Title:\_\_\_\_\_ First name:\_\_\_\_\_ Last name:\_\_\_\_\_

Company:\_\_\_\_\_ Telephone:\_\_\_\_\_

Mobile:\_\_\_\_\_ Email:\_\_\_\_\_

Title:\_\_\_\_\_ First name:\_\_\_\_\_ Last name:\_\_\_\_\_

Company:\_\_\_\_\_ Telephone:\_\_\_\_\_

Mobile:\_\_\_\_\_ Email:\_\_\_\_\_

## Provision of Postal Address Requirements

Please note that we do not make connections **UNTIL** we are in receipt of the new postal address allocated by the local authority. This needs to be a copy of the notification issued by the local authority.

It is the developer's responsibility to provide details of the correct postal address for each new connection being made. This information helps us record the details on our billing system.

### Will your connection be affected?

**Yes:** If your application is for –

- Brand new dwellings/units
- Property conversions where new dwellings/units are created

**No:** If your application is for –

- Existing property having a replacement/separation supply only

**Do not delay getting YOUR connection. Contact your local authority at the earliest opportunity for your notification of postal address and then:**

**Post to:**

Developer Services  
South Staffs Water
